## CURIOUS ABOUT KEA?

FREE PUBLIC TALKS IN YOUR AREA  
THIS JUNE/JULY

Have you always wanted to know more about kea and the issues impacting on them?

Do you want to hear about kea research and what community projects you can get involved with?

Do you have any conflict issues you want help in resolving?

Would you like to find out how to help kea in your area?

Or would you simply like to come along watch some fascinating video and photo footage of one of our most unique and interactive bird species and join in on some great discussions?

**ALL WELCOME!!**
